

Costa's Levels of Thinking

Developing Higher Level Questioning Skills

"Bad Clementine" by Andreas Englund, Oil on Canvas | <http://andreasenglund.com/oil-paintings/>

Directions: Use the picture above to develop questions that move from the "gathering" level through the "applying" level.

Level 3 - Applying <i>Questions</i>	Evaluation Judge If/Then Generalize Predict Imagine Speculate Forecast
Level 2 - Processing <i>Questions</i>	Compare Sort Infer Contrast Distinguish Analyze Classify Explain (Why?)
Level 1 - Gathering <i>Questions</i>	Complete Identify Recite Define List Select Describe Observe
